

Nissan Forklift

Nissan Forklift Training Kitchener - Nissan prides itself on achieving complete customer satisfaction when their buyer is enjoying one of their countless trucks, cars or forklifts. Nissan Forklift division is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are committed to delivering high value and detail-oriented quality standards to their customers. Incorporating a prosperous heritage combined with solid manufacturing principals, Nissan Forklifts provide many of the best materials handling equipment the industry has to offer.

In order to satisfy the worldwide needs of their assorted customer base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Dedicated to delivering customer support, the business has four independent manufacturing facilities that allow them to continually adapt to their consumers continually evolving wishes by providing a variety of progressive ideas and concepts.

Nissan Forklift operations for North and South America is situated in Marengo, Illinois. Home to a team of 350 personnel, they are dedicated to the design, fashioning, and support of their lift truck products. Utilizing ISO standards (ISO-9001 and ISO-14001 certifications) this permits sectors of the Nissan Forklift Operation to maintain environmental accountability by using systems and procedures that limit their environmental footprint. These high values remind consumers that Nissan operates under the quality seal that their consumers demand whilst being an environmentally conscious organization.

Nissan is quite confident that any of their clients queries and customer worries directed towards them can be fully addressed. Always accessible through their website or by calling 800.871.LIFT, contacting one of their locally authorized dealers or even going to their Midwestern facility, Nissan Forklift Corporation is confident you will be impressed with their hospitality and commitment.
